Early Morning Wedding

The marriage of Miss Nellie J. Guilfoyle, eldest daughter of Mr. and Mrs. Martin Guilfoyle of Lindsay street, and Mr. Oscar E. Rolf of Cincinnati was consummated in St. Patrick's Church this morning at 5 o'clock with High Mass, Rev. Father P. M. Jones officiating. The ushers were Mr. Terrance Mackey and Mr. George L. Diener.

The bride, gown in a tan crepe de Paris dress over messaline, with hat and gloves to match, and carrying a large bouquet of white lilies in her arm, looked radiant and beautiful as she stood at the altar, while the groom, in his conventional black, was the picture of pleased contentment and happiness.

Immediately after the ceremony the newly-wedded were driven to the home of the bride's parents, where a wedding breakfast was served.

After an hour's social converse good-byes were said and the happy couple were driven to the C. and O. Depot and left on the 8:24 Westbound train for Louisville and other points.

After June 1st they will be at home at 1156 Harrison avenue, Cincinnati.

Might Not Be Alive

McMinnville, Tenn.—Mrs. Ocie Jett of this place writes: "I don't believe I would be living today if it hadn't been for Cardui. I lay in bed for 27 days, and the doctor came every day, but he did me no good. Finally, he advised an operation, but I would not consent and instead took Cardui. Now I am going about the house, doing my work and even do my washing. Cardui worked wonders in my case. I am in better health than for five years." Cardui is a strengthening tonic for women. It relieves pain, tones up the nerves, builds strength. Try it. At your druggist's.

A Twistweave Rug will outwear any ordinary carpet. Size 9x12. Price \$10.

Why They Fail.

On reading the statistics on business the fact is learned that 98 per cent. of merchants fail. WHY?

"One cause of many failures—you need not look for more—is the LOW price in the windows and the HIGH price in the store."

Just to show that the moral of the above don't apply to us, we will say—and our language is plain—that whenever you find anything outside our place that we cannot duplicate inside, just take the store; we will have no further use for it.

No Man is Stronger Than His Stomach

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which impairs digestion and nutrition. For when the stomach is weak or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable and despondent, he is losing the nutrition needed to make strength.

Such a man should use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and so gives health and strength to the whole body.

TEN THOUSAND DRUGGISTS

Unite in Their Opinion Regarding a Certain Medicine

Druggists should know better than anyone else the value of every medicine.

Therefore, when over ten thousand recommended Vinol, the cod liver and iron tonic, without oil, over their own signatures as the greatest tonic reconstructer and strength creator—and offer to return the purchase money in every case where it fails to give satisfaction, it must indicate that Vinol is a pretty reliable medicine.

We could publish columns of such testimony as the following:

C. A. Potterfield, the leading druggist of Charleston, W. Va., says he used Vinol for every member of his family and has never been disappointed with the results.

Mr. J. F. Bradley, druggist, of New Brunswick, N. J., says: "Vinol is certainly a wonderful medicine." He has proved it from personal experience.

The many years that Vinol has been on the market has served to strengthen its popularity, and proved by continued tests that it will do all that is claimed for it.

Try a bottle of Vinol with the understanding that your money will be returned if it does not build up your strength and give you an added interest in life. John C. Pecor, Druggist, Maysville, Ky.

Shears did the twirling for Paris aggregation, with Mayer behind the bat, while Friedly was on the slab for Maysville, Holder catching. Both pitchers were steady throughout the game.

YOU ARE NOT SO WISE. As you might be if you still judge values by price instead of by quality. What you pay for, for instance, does not matter so much as what you get for your money. If you buy flour you'll get real value much greater, in fact, than if you paid a little less and got a great deal worse. Get wise. Use Maczolla.

A Guarantee To Rheumatics

Treatment of Rheumatism Revolutionized by Simple Remedy Which is Absolutely Guaranteed.

Startling new features are presented in the new remedy called D-M-F, which has lately been the subject of wide attention among those afflicted with rheumatism and lumbago, gout and neuralgia. Physicians, too, have given this remedy an approval which

has never been accorded to other rheumatic treatments. Dr. C. W. Beson, prominent in Oklahoma and the Southwest for his success in the treatment of rheumatism, states that he is willing to stake his professional reputation on the fact that D-M-F will cure even so-called incurable cases. D-M-F has produced results almost unbelievable. Not only for fresh new cases, but also for long chronic and serious cases has it proved one of the most remarkable remedies ever produced. It has the unique feature of "signaling" to the patient by means of peculiar symptoms, the progress of uric acid elimination.

C. H. Fargo, of Warsaw, N. Y., says: "I had rheumatism about seven years. I started 'D-M-F' and by George, inside of six weeks, I was cured." C. T. Watkins, also of Warsaw, N. Y., says: "I suffered with terrible rheumatism for five years, all crippled up for days at a time. I began taking 'D-M-F' and felt an improvement within two days, and two bottles cured me. My case was a bad one."

D-M-F is guaranteed as to results. Many of the most terrific cases imaginable have been quickly conquered by its peculiar, powerful, yet safe action, in two or three weeks.

D-M-F is absolutely free from opiates or dangerous drugs. Read about its wonderful action in the circular packed in every D-M-F carton. Read the guarantee. Get D-M-F at your druggist's at \$1.00 a bottle. If you are satisfied with it, as you will be, get 6 bottles for \$5.00, and get rid of your affliction. If your druggist can not supply you, it will be sent on receipt of price by the D-M-F Medicine Co., 2715 Lincoln Ave., Chicago, Ill. The first bottle will convince every sufferer.

"D-M-F" is recommended and sold in Maysville by J. James Wood & Son.

Nothing Doing Yet. There has been a business hitch in the matter of building the new flooring mill, corner Third and Poplar streets, and the contract has been held up for a time.

Wants Them to Disgorge. Now that the Supreme Court of the United States has dealt a body blow to the Standard Oil Company, Commonwealth Attorney M. J. Hennessey has started in as a Trust buster on his own volition, and wants them to ante up a sum total of \$15,000 for carrying on a restraint in trade business.

Yesterdays he filed suits in the Mason Circuit Court against the Standard Oil Company of New Jersey, the Standard Oil Company of Kentucky and the American Tobacco Company, for conducting their business contrary to law and against the peace and dignity of the Commonwealth of Kentucky, and to plaintiff's damage in the sum of \$5,000 in each case.

Notice!

In keeping with the general movement in cities throughout the country, making for the health, safety and appearance of the cities, the Maysville Street Cleaning Department has been ordered to make a thorough cleansing of all public streets and alleys and other public premises of the City of Maysville, and the property-holders and citizens generally are now requested to join in the movement to make the city and their respective communities as cleanly, safe and sanitary as may be by the removal of all rubbish, refuse, ashes and other dirt and debris.

With a view of having all such waste and unseemly matter removed, I designate Friday, May 19th, as cleaning up day, and I respectfully ask that all property-holders and tenants devote at least that day, and more, if necessary, to cleaning up and removing all waste and refuse from their premises and otherwise beautifying and putting their homes and places of business in as neat and sanitary condition as possible. This is material to the health and pleasure and fire protection of the city generally and to each particular community, and every good citizen should be interested in seeing that the work is thoroughly done.

This May 15th, 1911. J. WESLEY LEE, Mayor City of Maysville.

P. S.—A Committee from Council, acting as Inspectors, will examine your premises on Monday next. J. W. LEE, Mayor.

JESS HURGHEY

Picked Up This Morning in a Mangled Condition Alongside of C. and O. Railroad

Jess Hurghey, aged 32, colored and single, whose home is in Falmouth, Ky., was found in an unconscious state this morning between 4 and 5 o'clock a short distance West of Broshers Station. He was picked up by West-bound 95 and taken to Dover, where Dr. Hutchins administered first aid, and later brought to this city and turned over to the Company's Surgeon, Dr. A. O. Taylor, who had him removed to Wilson Hospital. His left leg is severed between the ankle and knee, left foot partly cut off and crushed, hole in head near temple and left side caved in. Both legs will probably be amputated, and it is thought that his chance for recovery is very slim.

He belonged to McClanahan's gang of C. and O. workmen and had been paid off at Russell yesterday, at which point he boarded No. 3 last afternoon for Covington, where, after filling up with mean whisky, he straddled the bumpers of first 98 going East, his objective point being this city. He says he went to sleep on his dangerous perch and was jolted off while enroute.

Hurghey was well dressed and had money on his person. The gangs along the line having been paid off yesterday, and Hurghey being somewhat of a sport, it is surmised that he was passing up and down the road, stopping off here and there, and gambling with the boys at the various camps.

Deafness Cannot be Cured by Local Applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running sound from imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CROENY & CO., Toledo, O. Sold by Druggists. Take Hall's Family Pills for constipation.

A CORROBORATION OF INTEREST TO MAYSVILLE READERS

For months Maysville citizens have seen in these columns enthusiastic praise of Doan's Kidney Pills by Maysville residents. Would these prominent people recommend a remedy that had not proven reliable? Would they confirm their statements after years had elapsed if personal experience had not shown the remedy to be worthy of indorsement? No stronger proof of merit can be had than cases that have stood the test of time. The following statement should carry conviction to the mind of every Maysville reader:

M. C. Chisholm, 317 East Second street, Maysville, Ky., states:

"The cure Doan's Kidney Pills effected in my case some years ago has been permanent, and the public testimonial I then gave in their praise still holds good. I was bothered a great deal by too frequent passages of the kidney secretions, this being especially annoying at night, when I was obliged to arise several times. Having my attention called to Doan's Kidney Pills, I procured a box at J. J. Wood & Son's Drugstore, and had taken them only a short time before I noticed a marked improvement. They soon cured me, and I have since learned of several other cases where Doan's Kidney Pills have been used with good results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

SOLE AGENTS FOR OIL STOCK

C. E. Curran and Colonel J. M. Young
Will Open Offices in Dover

Dover News.

The Ohio Valley Oil and Gas Company has entered into a contract with Charles E. Curran and Colonel J. M. Young of Maysville, by which these gentlemen become the sole selling agents for the Treasury Stock of the Company. All stock hereafter will be handled through Curran & Young. They will open an office in Dover, with a branch office in Maysville, and will at once actively engage in disposing of the balance of the treasury stock yet unsold. She Stayed In Bed

Ingram, Texas—"Ever since I became a woman," writes Mrs. E. M. Evans of this place, "I suffered from womanly troubles. Last fall I got so bad I had to stay in bed for nearly a week every month. Since I have taken Cardui I feel better than I have for years." You can rely on Cardui. It acts on the womanly organs and helps the system to regain its normal state of health, in a natural way. Prepared especially for women, it prevents womanly pains by acting on the cause, and builds up womanly strength in a natural way. Purely vegetable. Mild, but certain in action. Try it.

Reduce the Cost of Heating

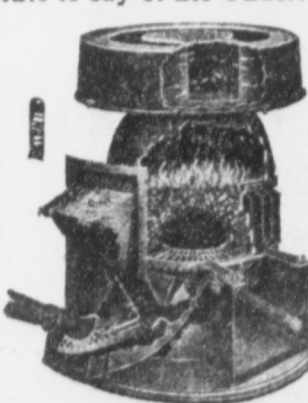

With living expenses in general climbing higher, Underfeed Warm Air Furnaces and Steam and Hot Water Boilers are reducing the cost of heating to the lowest possible notch. In thousands of American homes clean, even heat is enjoyed at least cost. The Underfeed has made this possible. There's no guess work about it.

THE WILLIAMSON UNDERFEED FURNACES AND BOILERS

Are the most economical heating plants on the market. Cheapest slack which would smother the fire in an ordinary heater, yields as much heat as highest priced coal. The Underfeed coal-burning way is responsible for this seeming miracle of economy. Coal is pumped from below. All the fire is on top. Smoke and gases, wasted in the heaters, must pass through the flames and are consumed, being turned to practical account in heating the building. This enables Underfeed furnace and boiler users to

SAVE 1/2 TO 3/4 OF COAL BILLS.

A Bracken county user, Mr. J. T. P. Watson, Brooksville, Ky., has this to say of his Underfeed experience:
